Percent satisfied with school-home relations	100%	95.3%	90.5%

\*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

JBE continues to be fully authorized to offer the International Baccalaureate Primary Years Program (IB PYP). Professional development continues with our focus on IB and inquiry based teaching. The school was honored by the South Carolina Association of School Administrators (SCASA) as one of three finalists for the annual Palmetto's Finest Award in the elementary division. JBE is an AdvancEd and SACS accredited school. All stakeholders contributed to our school renewal plan that continues to guide us through the next five years. The PTSO continues to provide great resources, both in financial terms and with volunteer support, for many school-wide programs. They continue to sponsor programs like: Artist in Residence, teacher grants, the school-wide musical production, and events like Bike and Walk to School Days, just to name a few. The SIC continues to focus on multiple areas of the school for improvement. Healthy and safe school options for students and staff continues to be a priority. The school was honored by the Physicians Committee for Responsible Medicine as a national Golden Carrot Award winner – one of only 3 schools in the nation with the distinction. SC Safe Routes to School awarded JBE a bronze level partnership; Good For You Spartanburg named JBE as their first school partner. The SIC also worked to help staff the Science Lab with volunteers and continues to advocate for the school among publicly elected officials. Community involvement still fuels our efforts towards ensuring the academic success of all students. Our partners donate volunteer hours, products and money to help us achieve our goal. Partners include everything from medical professionals, faith based organizations, colleges and universities to individual community members. JBE is a leader in offering activities for students. Students have numerous opportunities to develop themselves mentally, emotionally, physically and socially. These include: musical production, fitness clubs, art club, chorus, recycling club, safety patrol, student council, IB student leadership, running club, and media clubs. Everyone that works at and with JBE desires to help each child achieve their greatest academic and personal potential. Together, all stakeholders work to make sure that every child is given every opportunity to succeed! Bob Grant, Principal; Lynn Hosie, SIC Chair
